contained in this EOI or otherwise, including the accuracy, adequacy, correctness, completeness or reliability of the EOI or in any other Document made available to a person in connection with the tendering process for the Assignment(s) or for any other written or oral communication transmitted to the recipient in the course of the recipient's evaluation and any assessment, assumption, statement or information contained therein or deemed to form part of this EOI or arising in any way with pre-qualification of Applicant(s) for participation in the further process.

The EOI submitted by any Applicant shall be upon the full understanding and agreement of any and all terms of this EOI Document and such submission shall be deemed as an acceptance to all the terms and conditions stated in this EOI Document. Any EOI submitted by any Applicant shall be construed based on the understanding that the Applicant has done a complete and careful examination of this EOI Document and has independently verified all the information received from the Agriculture Department.

This EOI Document shall neither constitute a solicitation to invest, or otherwise participate, in the Assignment, nor shall it constitute a guarantee or commitment of any manner on the part of The Agriculture Department that the Assignment will be awarded. The Agriculture Department reserves its right, in its full discretion, to modify the EOI Document and/or the Assignment at any stage during the process to the fullest extent permitted by law, and shall not be liable to reimburse or compensate the bidder for any costs, taxes, expenses or damages incurred by the Applicant in such an event. Similarly, The Agriculture Department reserves the right, in its full discretion, to cancel the EOI Document and/or Assignment at any stage of the process and shall not be liable to reimburse or compensate the Applicant for any costs, taxes, expenses or damages incurred by the Applicant(s) in such an event.

REQUEST FOR EXPRESSION OF INTEREST (EOI)

Prequalification of Firms for GPS Tracking System & Centralized Monitoring Platform For CM Punjab Green Tractor Program-2026-27

The Government of Punjab, through the Directorate General Agriculture (Extension), Agriculture Department, has successfully implemented the **Chief Minister's Punjab Green Tractor Program** under various phases, through which **30,000 subsidized tractors** have already been provided to eligible farmers across Punjab. To enhance transparency, real-time monitoring, operational oversight and asset management of tractors supplied under the ongoing program, the Agriculture Department now intends to deploy an integrated GPS Tracking and Monitoring System. Accordingly, Expressions of Interest (EOIs) are invited from eligible firms/companies for prequalification for the **Supply, Installation, Integration, Management and Monitoring Platform of GPS Tracking Devices** under the Chief Minister's Punjab Green Tractor Program 2026-27.

2. Interested Firms/Companies, including Joint Ventures (JVs), must be duly registered with the **Securities and Exchange Commission of Pakistan (SECP), the Registrar of Firms, or any other relevant statutory authority**, as applicable. Firms/Companies must possess valid **National Tax Number (NTN)** and **Sales Tax Registration**, where applicable, and must be listed on the **Active Taxpayers List (ATL)** of the Federal Board of Revenue (FBR). The prequalified Firms/Companies shall work with the Agriculture Department, Government of the Punjab, and other relevant stakeholders for the **supply, installation, commissioning, integration, operation, maintenance, and management of GPS tracking devices and the associated monitoring system** on tractors across the Province of Punjab under the Chief Minister's Punjab Green Tractor Program.

3. Prequalification documents, containing detailed terms and conditions shall be available on Punjab e-procurement system website (<https://ep.punjab.gov.pk/>) from the office of Director General Agriculture (Extension) Punjab, 21-Davis Road, Lahore. These shall also be available on <http://agripunjab.gov.pk> & <http://www.ppra.punjab.gov.pk/> for information only. A pre-EOI meeting will be held on **21-08-2026 at 11:00 AM** in Committee Room of **Director General Agriculture (Extension) Punjab, 21-Davis Road, Lahore.**

4. The Agriculture Department reserves the right to accept or reject any or all EOIs without assigning any reason. This invitation for EOI does not constitute a commitment or obligation on the part of the Department to award any contract or financing arrangement. Only prequalified firms will be eligible to participate in the next stage of the process.

5. The expression of interest, prepared in accordance with the instructions in the EOI documents, must be submitted online on Punjab e-procurement system website (<https://ep.punjab.gov.pk/>) for the office of Director General Agriculture (Extension) Punjab, 21-Davis Road, Lahore, on or before **10:30AM on 28-08-2026**. The EOIs/Applications/Proposals will be opened on the same day at **11:00AM on 28-08-2026**.

6. The URL of the website of the PPRA is <https://ep.punjab.gov.pk/ViewTender.aspx> and response time shall be calculated exclusively from the date of publication of the advertisement on the website of the PPRA.

7. Pre-Qualification/ EOI must be submitted through Government established e-Procurement system (<https://ep.punjab.gov.pk/>). No manual application/proposal will be accepted. Further information may be obtained at the address/email given below during office hours from 0900 to 1700 hours. Term	Definition
Agriculture Department	The Directorate General Agriculture (Extension), Government of the Punjab, acting as the Procuring Agency under this EOI.
Applicant	Any legally registered firm, company, partnership, joint venture or consortium submitting an Expression of Interest in response to this document.
Assignment	The complete scope of services comprising the supply, installation, integration, operation, maintenance and centralized monitoring of GPS Tracking Devices and associated software platform.
Authorized Representative	A person duly authorized through a valid Power of Attorney to act on behalf of the Applicant.
Centralized Monitoring Platform	The web-based Fleet Management System provided by the successful Applicant for real-time monitoring, reporting and management of all GPS-enabled tractors.
Consortium (JV)	An association of two or more firms jointly submitting an application, with joint and several liability for performance of the Assignment.
Dashboard	The web-based graphical interface displaying real-time location, operational status, alerts, reports and analytics of GPS-enabled tractors.
Data	All GPS coordinates, telemetry, reports, databases, analytics, records and information generated through the tracking system, which shall remain the exclusive property of the Agriculture Department.
Department-approved GPS Device	A GPS tracking device approved by the Agriculture Department and compliant with the technical specifications and regulatory requirements prescribed in this document.
Due Date	The deadline specified in the EOI Advertisement for submission of applications.
EOI	Expression of Interest submitted by Applicants seeking prequalification.
Fleet Management System	The integrated software platform for monitoring, managing and reporting the movement, utilization and operational status of tractors.
Geo-fencing	A virtual geographic boundary that generates alerts when a tracked tractor enters, exits or remains within a predefined area.
GPS Tracking Device	An electronic hardware unit installed on a tractor to capture and transmit its location, movement and operational information.
Lead Firm	The consortium member designated to represent all consortium members during the procurement process and contract execution.
Monitoring Centre	The centralized facility from which the Agriculture Department monitors GPS-enabled tractors through the Fleet Management Platform.

OEM	The original manufacturer of GPS hardware or software who authorizes the Applicant to supply and support its products.
Partner Firm	A member of a consortium other than the Lead Firm.
Power of Attorney	The legal authorization empowering a designated person to act on behalf of the Applicant.
Prequalification	The process of evaluating Applicants against the prescribed eligibility and evaluation criteria for shortlisting.
Project Area	All districts of the Province of Punjab where tractors under the Program are supplied and GPS services are to be provided.
Procuring Agency	Directorate General Agriculture (Extension), Punjab, Lahore.
Remote Device Management	The capability to remotely configure, diagnose, monitor and update GPS tracking devices without physical access.
Service Centre	An operational office established by the Applicant for installation, maintenance and technical support services.
Signatory of Application	The person authorized through a Power of Attorney to sign and submit the EOI on behalf of the Applicant.
Software Platform	The complete web-based and mobile application system used for monitoring, reporting, administration and management of GPS tracking services.
Support Services	Installation, helpdesk, preventive maintenance, corrective maintenance, warranty support, replacement services, software maintenance and technical assistance provided during the contract period.
System Integrator	The successful Applicant responsible for integrating GPS devices, software platform, APIs and Departmental systems into a unified operational solution.
Technology Partner	Punjab Information Technology Board (PITB) or any other agency designated by the Agriculture Department for software integration and technical coordination.
Tracking Data	Location history, movement logs, alerts, events, reports and all system-generated information collected through GPS devices.
Warranty Period	The period during which the successful Applicant shall repair or replace defective equipment and maintain uninterrupted services without additional cost to the Department.

1.2 - INTRODUCTION

The Chief Minister's Punjab Green Tractor (Low Power) Phase-IV and Chief Minister's Punjab Green Tractor (Hi-Power) Phase-V Schemes are a strategic initiative of the Government of the Punjab aimed at enhancing agricultural mechanization across the province. Building upon the successful implementation of Phases I, II and III these projects/schemes are meant to improve farm productivity, reduce production costs, and address the shortage of farm power through the provision of tractors on a subsidy basis.

Under these schemes, individual farmers will be supported with a maximum subsidy of Rs. 750,000 and Rs. 1,000,000 for the purchase of locally manufactured tractors of 50 to 65 horsepower and 75 to 125 HP Tractors (Local as well as Imported), to meet the needs of different farm sizes and Agro-ecological zones. These projects are designed to strengthen sustainable and efficient farming practices, reduce the mechanization gap, and contribute to the overall growth and modernization of Punjab's agriculture sector.

To ensure transparency, accountability, effective asset management, and real-time monitoring of subsidized tractors, the Agriculture Department intends to deploy a comprehensive GPS-based Tractor Tracking and Monitoring System. The system will facilitate real-time location tracking, operational monitoring, data management, geo-fencing, reporting, and centralized monitoring of tractors supplied under the Program. The tracking system will also support evidence-based decision-making, safeguard public investment, enhance transparency in subsidy utilization, and strengthen monitoring throughout the operational life of the tractors. Accordingly, the Directorate General Agriculture (Extension), Agriculture Department, Government of the Punjab invites Expressions of Interest (EOIs) from eligible and experienced firms/companies for prequalification to undertake the Supply, Installation, Configuration, Integration, Operation, Maintenance, Technical Support, and Management of GPS Tracking Devices and the associated Web-Based Monitoring System for tractors being supplied under the Chief Minister's Punjab Green Tractor Program 2026-27.

a) Project Area

The Program shall be implemented across all districts of Punjab. Farmers from every district of the Province shall be eligible to avail the subsidy under the approved eligibility criteria. The subsidy facility will be open to all farmers from all districts of Punjab for any brand/model of tractors of 50 to 65 HP and 75-125 HP categories under these projects. Accordingly, the prequalified GPS Tracking Firms/Companies shall be capable of providing maintenance, technical support, and system management services throughout Punjab through their own infrastructure or authorized service network.

b) Overall Stakeholders of the projects

There are different stakeholders having different roles and responsibilities. These stakeholders will work in an integrated manner for achievement of the project objectives. Detail of the key stakeholders is given as under:

- i. Agriculture Department through Director General Agriculture (Extension) overall executing agency of the project.
- ii. Punjab Information Technology Board (PITB) working as Technology Partner.
- iii. Financial Institution(s) preferably Bank of Punjab (BOP) for management of the financials of the project including farmer equity, govt. share in the form of subsidy,

- iv. Prequalified Tractor Manufacturers/Importers for supply and delivery of approved tractors and coordination with Department-prequalified GPS Tracking Firms/Companies to ensure installation of GPS devices before delivery to beneficiary farmers.

1.3- SCOPE OF ASSIGNMENT

The purpose of this Expression of Interest (EOI) is to prequalify technically competent, financially sound, and experienced GPS Tracking Firms/Companies possessing the requisite technical expertise, qualified human resources, software capability, infrastructure, nationwide operational presence, and after-sales support network for the implementation of the GPS Tracking System under the Chief Minister's Punjab Green Tractor Program. The prequalified GPS Tracking Firms/Companies shall provide a complete end-to-end GPS Tracking Solution, including the supply, installation, activation, testing, configuration, integration, commissioning, operation, centralized monitoring, preventive and corrective maintenance, software licensing, data management, warranty services, technical support, and system upgrades for all tractors supplied under the Program.

The Agriculture Department shall maintain a panel of prequalified GPS Tracking Firms/Companies. Each prequalified Tractor Manufacturer/Importer shall engage any one of the Department-prequalified GPS Tracking Firms/Companies, at its own discretion, for the installation, integration, activation, testing, and commissioning of GPS tracking devices on tractors being supplied under the Scheme. The prequalified GPS Tracking Firms/Companies shall be responsible for deploying their technical teams and necessary equipment for installation of GPS tracking devices at the manufacturing plants, assembly facilities, stockyards, warehouses, or any other authorized premises of the prequalified Tractor Manufacturers/Importers located anywhere in Pakistan. The tracking firms shall ensure that all installations are carried out strictly in accordance with the technical specifications, installation standards, communication protocols, cybersecurity requirements, quality assurance procedures, and operational guidelines approved by the Agriculture Department.

The GPS Tracking Firms/Companies shall coordinate closely with the Agriculture Department, Technology Partner, Tractor Manufacturers/Importers, and other relevant stakeholders to ensure timely installation and operationalization of the tracking devices before delivery of tractors to beneficiary farmers. The firms shall also ensure seamless integration of each installed tracking device with the Department's centralized web-based monitoring platform and shall verify successful communication, data transmission, geo-location accuracy, tamper detection, reporting functionality, and system performance prior to issuance of installation completion certificates.

The respective Tractor Manufacturers/Importers shall facilitate the GPS Tracking Firms/Companies by providing unrestricted access to their manufacturing plants, assembly facilities, warehouses, or authorized dealer premises for installation and testing of the tracking devices. All tractors supplied under the Program shall be equipped with fully functional, Department-approved GPS tracking devices prior to dispatch from the manufacturer's/importer's premises. All costs associated with the procurement, supply, installation, testing, activation, configuration, integration, commissioning, and operationalization of the GPS tracking devices shall be borne by the respective Tractor Manufacturers/Importers as part of their contractual obligations under the Green Tractor Program. No tractor shall be delivered, released, or handed over to a beneficiary farmer unless the GPS tracking device has been successfully installed, integrated with the Department's monitoring system, tested, verified, and certified in accordance with the prescribed technical specifications and operational requirements.

The prequalified GPS Tracking Firms/Companies shall remain responsible throughout the contract period for ensuring uninterrupted functionality of the installed devices and software platform, including preventive maintenance, corrective maintenance, replacement of defective devices, software updates, data security, technical support, and compliance with the prescribed Service Level Agreements (SLAs) and Key Performance Indicators (KPIs) established by the Agriculture Department. The prequalified GPS Tracking Firms/Companies shall provide the **performance guarantee @ Rs.1.000 million** before signing the contract/SLA with Agriculture Department. The performance guarantee will be provided in the form of CDR having validity of three (3) years. Under this scheme following tractors will be provided for FY 2026-27:

Category	OEMs	Hp	Tractors (No.)
Category I	Only Local	50-65	10,000
Category II	Local / importers	75-125	9,500

1.4 SCHEDULE OF REQUIREMENTS

The prequalified companies / firms shall provide a complete GPS Tracking Solution, including supply, installation, integration, operation, maintenance, warranty, and technical support for a period of **three (03) years**, meeting the following minimum requirements:

- Supply, installation, activation, testing, and commissioning of PTA-approved GPS Tracking Devices complete in all respects.
- Provision of a secure web-based Centralized GPS Tracking & Fleet Management Platform and Integration of the tracking platform with the Agriculture Department's Centralized Database, Software Applications, APIs, and other designated information systems.
- Provision, installation, and commissioning of all required hardware, including servers, LED display screens/monitoring screens, workstations, networking equipment, and all accessories necessary for complete operation.
- Availability of a 24/7 Support Services with ticketing system and SLA-based technical support.

1.5 TECHNICAL SPECIFICATIONS OF GPS TRACKING DEVICE (HARDWARE)

The GPS Tracking Device shall meet the following minimum technical requirements:

- The device shall be compact, rugged, and suitable for permanent installation in agricultural tractors
- The device enclosure shall be tamper-resistant and designed for harsh field operating conditions
- The device shall support multi-constellation GNSS positioning and provide location accuracy of ≤ 10 meters under normal operating conditions
- The device shall support GSM / GPRS / 4G / LTE communication technologies compatible with networks available in Pakistan and also support Assisted GNSS / A-GPS.
- The device shall support standard communication protocols including TCP/IP, UDP/IP, and SMS
- The device shall support real-time tracking with configurable reporting intervals
- The device shall include internal memory for offline data buffering during network unavailability and automatically transmit buffered data upon restoration of connectivity
- The device shall support an operating voltage range compatible with tractor electrical systems and have low power consumption with intelligent sleep / power-saving modes

- The device shall include an internal rechargeable backup battery and generate alerts for power disconnection
- The device shall support geo-fencing functionality
- The device shall generate tamper / unauthorized removal alerts
- The device shall support remote configuration capability and support over-the-air (OTA) firmware upgrades
- The device shall include internal or external high-gain GNSS antenna including internal or external GSM/LTE antenna
- The device shall have adequate protection against dust and moisture (IP rated) suitable for agricultural deployment
- The device shall have a unique identification number (IMEI / Device ID) and shall be PTA approved for SIM usage

1.6 TERMS OF REFERENCE (TOR)

The prequalified GPS Tracking Firms/Companies shall provide a complete GPS Tracking Solution, including supply, installation, integration, operation, maintenance, warranty, and technical support for a period of three (03) years, meeting the following minimum requirements:

- Supply, install, configure, activate, test, commission, and operationalize Department-approved, PTA-approved GPS Tracking Devices on all tractors at designated manufacturing plants, assembly facilities, warehouses, dealerships, or other authorized locations before delivery to beneficiaries.
- Provide, host, operate, and maintain a secure, web-based Centralized GPS Tracking & Fleet Management Platform with real-time tracking, live map visualization, historical route playback, travelled distance, geo-fencing, configurable dashboards, GIS-based analytics, and exportable MIS reports (PDF/Excel/CSV).
- Ensure seamless integration of all GPS devices with the Agriculture Department's centralized database and monitoring system through secure APIs or other approved interfaces, with scalability for future expansion and interoperability with Government information systems.
- Provide continuous real-time monitoring of all tractors, including live location, movement history, travelled distance, operational status, utilization reports, and configurable alerts for geo-fence violations, district boundary crossing, unauthorized movement, device tampering, power disconnection, communication failure, and other predefined events.
- Ensure secure and uninterrupted transmission, storage, backup, and retrieval of tracking data through encrypted communication, role-based access control, audit trails, disaster recovery arrangements, and cloud or on-premises hosting, while maintaining all historical data and system records for three (03) years.
- Provide mobile applications (Android/iOS), web portal access, remote diagnostics, over-the-air configuration, firmware/software updates, and remote device management to ensure efficient system operation throughout the contract period.
- Provide comprehensive operation, maintenance, warranty, replacement of defective devices, software licenses, subscriptions, renewals, cybersecurity updates, preventive and corrective maintenance, and 24/7 Support Centre support with SLA-based response throughout the three (03) year contract period.
- Deploy adequate installation teams, qualified technical personnel, replacement devices, spare parts, and support infrastructure throughout Punjab to ensure timely installation, uninterrupted operation, and minimum system downtime.

- Provide all hardware and ancillary equipment required for complete system operation, including monitoring/display screens, workstations, networking equipment, servers (where applicable), and all associated accessories.
- Conduct training for departmental users and system administrators and provide complete user manuals, technical documentation, and operational support.
- All tracking data, software records, reports, databases, and system-generated information shall remain the exclusive property of the Agriculture Department, Government of the Punjab, and shall not be disclosed, shared, or used without prior written approval.
- Coordinate with the Agriculture Department, its Technology Partner, Tractor Manufacturers/Importers, and other designated stakeholders to ensure timely implementation, integration, operational continuity, and compliance with contractual obligations throughout the contract period.

SECTION-II

INSTRUCTIONS TO APPLICANTS

2.1 FRAUD & CORRUPTION

- i. The Agriculture Department requires that the Applicant observes the highest standard of ethics in relation to submission of EOI for pre-qualifying/short-listing for the Supply, Installation, Integration, Management and Monitoring Platform of GPS Tracking Devices.
- ii. The Agriculture Department will reject a proposal for pre-qualification if it determines that the Applicant has directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in competing for the contract in question and will declare the applicant ineligible, either indefinitely or for a stated period of time.

The applicants should belong to eligible countries as per current policies of the Federal Government of Pakistan.

2.3 LANGUAGE

Language of this EOI and subsequent all processes and correspondences shall be English.

2.4 EOI ADVERTISEMENT

The EOI advertisement shall form an integral part of the EOI Document.

2.5 CLARIFICATIONS IN RELATION TO EOI DOCUMENTS

- i. An Applicant requiring any clarification in relation to the EOI Document shall contact the Agriculture Department in writing at the address indicated in this EOI Document.
- ii. The Agriculture Department will respond in writing to any request for clarification provided that such request is received no later than ten (10) days prior to the deadline/Due Date for submission of the EOI.

2.6 AMENDMENTS IN EOI DOCUMENTS

- i. At any time prior to the deadline for submission of EOI, The Agriculture Department may amend the EOI Document by issuing an addendum.
- ii. Any addendum issued shall be part of EOI Document.
- iii. To give Applicants reasonable time to take an addendum into account in preparing their applications, The Agriculture Department may, at its discretion, extend the deadline for the submission of applications.

- iv. No objection shall be entertained regarding the terms & conditions of this EOI Document after deadline for submission of EOI.

2.7 CHANGE IN INFORMATION PROVIDED TO PROCURING AGENCY

The Applicant shall immediately report to the Agriculture Department in writing any change in the information provided in its EOI (including any information relevant to any Consortium). The determination of whether the change is material shall be in Agriculture Department's sole and exclusive discretion and any material change could also lead to disqualification of such Applicant. Any failure to report change by the Applicant shall constitute grounds for disqualification.

2.8 COST OF APPLICATION

- i. The Applicant shall bear all costs associated with the preparation and submission of EOI. the Agriculture Department will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the short-listing process.
- ii. The Agriculture Department will not be responsible for any costs or expenses incurred by the Applicant in connection with the preparation or delivery of proposals or visits to any office or site.

2.9 DOCUMENTS ESTABLISHING THE ELIGIBILITY OF APPLICANT

To establish its eligibility, the Applicants shall complete all eligibility requirements as set out in this document supported by verifiable documentary evidence. Applications without complete supporting documentary evidence, as required under this EOI, shall be considered non-responsive and shall be rejected.

2.10 CONSORTIUM

- i. If Applicant is a Consortium, there must be a Lead Firm appointed through a Power of Attorney executed by all Consortium members individually, authorizing the Lead Firm to act on their behalf and to enter into legally binding obligations.
- ii. Power of Attorneys shall be prepared as instructed in **Annexures – I, II&III**
- iii. In the event the Applicant is a Consortium, all communications and correspondence shall be routed through the Lead firm. The Procuring Agency shall only correspond with the Lead Firm and as such delivery of any notice, information or other correspondence to the Lead Firm shall be deemed delivered to all the members of Consortium.
- iv. One member of Consortium may participate in only one EOI and if one member participates in more than one EOI's, The Procuring Agency shall reject all such EOIs;

2.11 SIGNING THE APPLICATION

- i. The Applicant shall prepare and submit the EOI as described in this document. The EOI shall be signed by a person duly authorized on behalf of the Applicant through Power of Attorney.
- ii. Original written Power of Attorney authorizing the signatory of the Application to act for and on behalf of the Applicant shall be attached with the application according to the given **Annexure-II**.
- iii. Every page and every form of EOI shall be signed and stamped by the Signatory of the Application.

2.12 SEALING AND IDENTIFICATION OF APPLICATION

The Applicant shall upload/enclose Original scanned copy of its EOI that shall:

- i. Bear the name and address of the Applicant,
- ii. Be addressed to the Director General Agriculture (Extension), Agriculture House, 21 Davis Road, Lahore.
- iii. Bear the specific identification of this pre-qualification process indicated in the EOI Document and shall be clearly marked the subject title.
- iv. Each EOI shall be in English accompanied by all the supporting documents. If any original supporting document is not in English, a certified translation of the same in English shall be provided by the Applicant.
- v. Applicants are also required to state, in their proposals, the name, title, phone & fax numbers, e-mails, and addresses of their Primary Contact and Secondary Contact, through whom all communications shall be directed until the process has been completed or terminated.
- vi. The Agriculture Department will accept no responsibility for not processing/uploading any application that was not identified as required.

2.13 SUBMISSION OF APPLICATIONS
